Maxx Coffee

Ruko Sunter, North Jakarta (and branches across Jakarta)

WHAT WE ORDERED

Two iced lattes, buy 1 get 1 free

Rp69,000 nett

about US$4, tax and service included

Why it's approved

- Buy 1 get 1 free in the Maxx Coffee app with code B1G1NOV26: our iced caramel macchiato and iced vanilla latte were Rp131,000, and we paid Rp69,000
- Order and prepay in the app with QRIS, so no card is needed. The cheaper drink is the free one, so pair two at a similar price
- Beyond the deal: nitro taps (nitro coffee, lychee hibiscus, nitro tea), Indonesian single-origin beans and a pastry case

> STATUS TIP
> B1G1NOV26 runs 1–30 November 2026 at every outlet except Bandung railway station. After that, check the app's Promo tab: the app also gives a free birthday drink and cashback points.
