WHAT WE ORDERED

Blue crab (rajungan), 440 g

Rp154,000++

Rp169,400 nett, about US$9 · 10% tax, no service charge

Why it's approved

- Pick your crab and prawns live from the tanks. Seafood is sold by weight: blue crab Rp35,000 per 100 g, so our 440 g crab was Rp154,000
- Lunch for two, five dishes and three drinks, came to Rp522,720 (about US$29) with 10% tax and no service charge
- The Chinese sides are cheap and good: sweet and sour chicken Rp48,000, garlic broccoli Rp55,000

STATUS TIP

Live seafood is 30% off every day, but the item changes daily: the day we went it was snapper and lobster. Ask the staff what's on promo before you pick from the tank. WhatsApp the cashier on 0852-1831-5229 to book.
